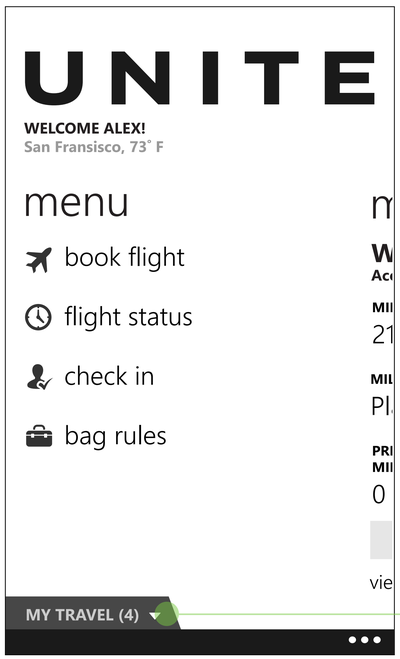
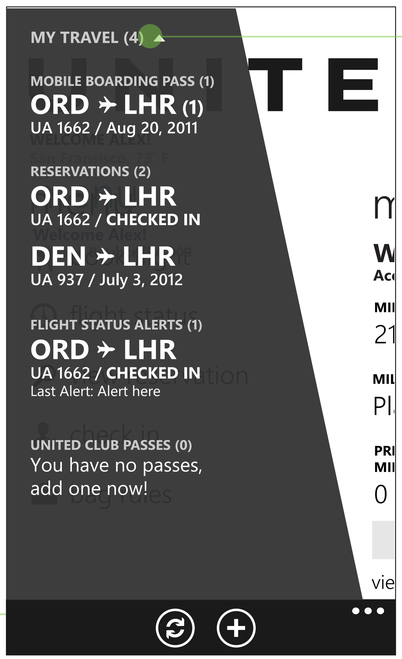
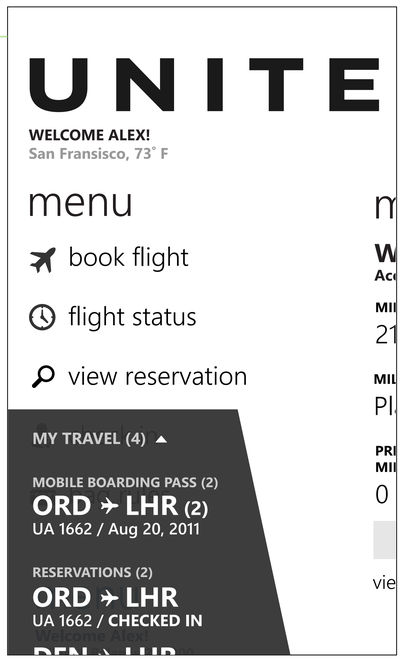
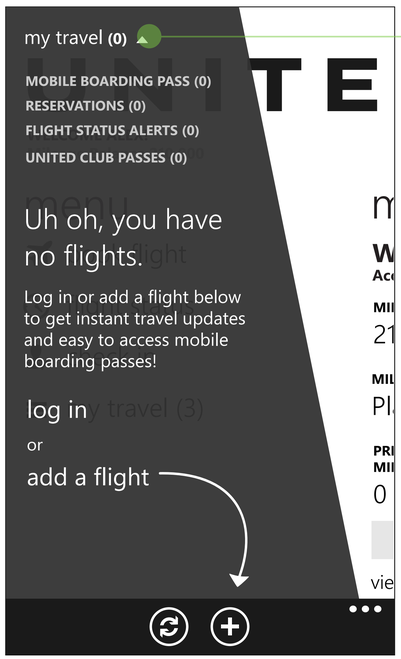
MY TRAVEL FLYOUT









HOME

- For logged in users, we could house a “my travel” tab on the bottom of the screen.
- The number would indicate how many items are available to view.
- We could explore including other iconography to show travel alerts, boarding passes, ect.

MY TRAVEL FLYOUT

- Users tap the tab to view their wallet.
- Each of these items are tappable.
- Users can refresh or add a reservation from the app bar.

TRANSITION

- Users can tap the “my travel” arrow or press the back button to exit this flyout.
- If a user swipes over to the right, the flyout will automatically collapse down.

NO FLIGHTS/LOGGED OUT
